Klarinette d'Amore in G

Bassetthorn (in F)

Alt Klarinette (in Es)

Bassklarinetten (in B) - bis tief C

Kontraaltklarinetten (in Es)

Kontrabassklarinetten (in B)

Die abgebildeten Notenbeispiele zu den einzelnen Instrumenten zeigen im jeweils

1. Takt das notierte zweigestrichene C (Kurzschreibweise: c'' oder c²), englisch: C5;
2. Takt den klingenden Ton, wenn man das c'' (aus dem 1. Takt) auf dem Instrument greift/spielt;
3. Takt den tiefsten notierten Ton des Instruments;
4. Takt den tiefsten klingenden Ton des Instruments, wenn man den Ton aus dem 3. Takt greift/spielt.

Der höchste Ton ist nicht angegeben, weil er je nach den Fähigkeiten des Klarinettenisten variiert. Regelmäßig sollte das notierte f'' erreicht werden, bestenfalls das a''' darüber. Fortgeschrittenere / geübtere Spieler gelangen hinauf bis zum c'''' (historisch verbürgt: Benny Goodman im 1938er Carnegie Hall Concert bei »Sing Sing Sing«).
